Jesus is going to be a very great surprise to the Christian World, for He is a *positive* Being and wields the Fire Element with a majesty and a mastery in positive force that is worthy of Hercules.

When We were arranging for the words of greeting this morning, I said to the Maha Chohan, "It is fitting that Our Brother Saint Germain bring the comfort of His Presence and I, Myself, would be more at peace in the happiness of the chelas," but the Maha Sahib felt that as I had started this new endeavor, it was right that I speak to you and that you feel My Presence with you.

Oh, Blessed be your hearts, My Children—Blessed be your hope—and blessed be the Star that has guided you, for it is not an external manifestation. It is an emanation from your own unfolding Spiritual Self which guided you on the Path of Righteousness, and may you each know as you proceed along life's way, that I am your Obedient Servant, because I live only to serve Life, to set it Free. I live to give you the Fullness of God's Design as you choose to accept it, and I aasure you I shall endeavor to temper My enthusiasm with the Love of the Christ, that you may not know Me only as the "fierce" but as the "friendly" Sponsor of your Heart's Love. I thank you.

"The Christ consciousness within me is NOW reborn and "I AM"—RIGHT NOW—one with THEE!

Beloved Mother Mary, and Precious Kwan Yin! In Thy love and mercy, hear my supplication and accept my heart's deep gratitude and love. Release unto me Thy grace. Strengthen my heart with Thine Own Light and show me the pathway and I, too, may journey Home.

The God consciousness of Perfection is now manifesting within me and "I AM" supplied, illumined and free!"

are given by the Karmic Board on the night of December 31st, just before the thought form for the New Year is lowered into the consciousness of Sanat Kumara from the Silent Watcher of the earth.

Those individuals and groups who desire to join together in this period between Christmas Day and January 1st and offer their energies to The Karmic Board and the Cosmic Law to grant all the petitions and dispensations requested will greatly increase the opportunity of The Brotherhood to secure grants of Mercy and Compassion which will result in tremendous assistance for the race as a whole, as well as the Elemental and Angelic evolutions which benefit by any progress in the conditions of the human race.

## THE ROCKY MOUNTAIN RETREAT
### December 15th, 1953 to January 14th 1954

Twice each year, The Great White Brotherhood gather together in the beautiful Rocky Mountain Retreat in the Western part of the United States of America, for Their Half Yearly Council. At this time, the great Spiritual Tribuna, known as the Lords of Karma, give audience to Members of The Brotherhood and also to members of the human race wro are endeavoring in some manner to forward the Cause of God's Perfect Kingdom on earth and bring into manifestation quickly those conditions of mind, body, soul and spirit which will externalize as Perfect Peace, Unlimited Supply, Divine Health, and Spiritual Illumination for each lifestream destined to pass through the earth's evolution on his way to God Mastery and individual divinity of expression.

At these Half Yearly Councils, the Members of The Brotherhood report on the results of their activities individually, and the activities which their particular Retreat has sponsored and furthered through the last six months. All of those who were given grants and dispensations by the Karmic Board and allowed more than ordinary opportunity to further some such Cause are requested to show how they have invested the life loaned to them, and what actual results they have manifested through their endeavors. Upon the amount of good that has been done, does any future grant or dispensation depend, so all are eager and desirous of bringing as much "harvest" as possible to the feet of the Tribunal.

All the Members of the Brotherhood and those individuals who are yet a part of the evolving race are allowed, then, to present their individual ideas and plans which they have received in communion with their own God Self and which they believe will hasten the development of a God Free Race. According to the interest they can develop in their plans, and according to the sponsorship which each such plan receives, does the Karmic Board allow to further pursue their endeavors in the coming six months.

It is suggested that each student who reads these words enter into communion with his own God Self and, if he feels that there is some way to benefit the race as a whole, he should write his petition down, read it over nightly before going to sleep to impress his outer consciousness and his etheric consciousness of the plan, and then—in the fuller freedom of the inner body—the student will either be given an opportunity to apply for assistance before the Karmic Board to fulfill that plan, or it will be taken up by one of The Great White Brotherhood and incorporated into a Cause of a similar nature which He is forwarding.

Immediately after the Christmas Day Celebrations, these Good Brothers and Sisters begin to enter The Retreat and endeavor to secure interest in Their Plans to help mankind. The decisions

## ADDRESS OF THE BELOVED MASTER LANTO
### August, 1953

It is My great pleasure, My privilege and My honor to bring to you, beloved guests of God, the love and the welcome from the Brotherhood of the Rocky Mountains, whom I serve and whom I represent to the consciousness of those of you who can accept Our Presence, Our Friendship and the mutual benefit of the association between the Free and those temporarily bound by form and karma.

There is so much I would say to you, for We prepare well for the opportunity afforded us to enter into communication with Our friends of the ages, in order that in the time allotted Us by the Cosmic Law, We may give the greatest benefit and blessing, as well as impetus, to your own individual terrestrial evolution.

It seems but yesterday that you, dear friends, were among the Heart Spirits who enjoyed the freedom and beauty of the natural Spiritual evolution which had its height on the Continent of Lemuria, where I was privileged to worship at the Flame of God in love and freedom. You, too, were fully conscious and cognizant of the power of the Electronic Light which formed your own lifestreams, and from that Light as it flowed into and through the individual play of your consciousness, you formed with ease the manifest expression of every desire and every requirement that your bodies and individual service required, and that of your soul's evolution as well.

Within the Temples in that sweet and gentle cycle, precipitation was the order of the day, and there was no lifestream who labored "by the sweat of the brow." This gave to Us such freedom in the development of Our own God Plan, because all of the energies that are now spent in the sustenance of the physical body were then expended toward the weaving of the tapestry of the individual life, preordained to serve on this sweet earth to fulfill its part in the Great Divine Plan, which could not be filled by any other individual.

It was at this time that the Cosmic Law, in mercy, offered the earth to become host to the planetary orphans who had not sufficiently evolved their own Light to earn a habitat upon their own natural planet of evolution. Those of Us Who were the Guardian Spirits in the Temples, and those of you who were the Guardian Spirits of the young earth children, were told in advance of the coming of the souls who formed the laggards of the other planets of the system, in order that the strength and vitality of our own Spiritual energy might be intensified to withstand the pressure which the consciousness of those lifestreams would bring.

We then entered a period of one hundred years of deep meditation, contemplation, invocation and separate and collective application, each of us fully cognizant of our responsibility to build a bulwark strong enough to withstand this influx and protect the race which we had come to serve.

The mass of the earth children were unconscious of the coming tidal wave of human emotion and lived on in their Eden of harmony and peace, as the Wisdom of our own Lords and Guardinas wished Us to refrain from disturbing their peace unnecessarily, and in those long years while the earth children enjoyed the freedom of that exquisite, semi-tropical paradise, only a few were aware of the impending incoming surge.

Finally, there came a day when all the head priests of the Temples were called to a conference, and I went among the others. We were told of the imminent coming of these laggard souls. Shortly after their arrival began the long story of the contamination of the innocents, and the weight of the creation spewed forth from the thought and feeling bodies of these visiting souls ensnared even the Guardian Spirits, and only a few among Us retained that consciousness which was our Eternal Birthright.

It was then that the Cosmic Law, in mercy, sent forth a Fiat that our lovely Lemuria should rest awhile beneath the waves Those among Us who could be entrusted with the Power required to sustain the Flame which had burned upon our altars from the beginning of recorded time and long before that, were each instructed to take a part of the Heart Center of this Flame from the Temples, and move It to appointed places upon the landed surface of this earth which would withstand the force of the cataclysm. So I came into this exquisite country. (Rocky Mts., U. S. A.)

Within this Great Teton Range is the *initial pulsation* for the *evolution of the lifestreams upon this planet.* When first the earth became a habitable home, it was required of the Law that the Great Manu descend into the physical appearance world, carrying with Him the Magnetic Rod of Power, which would be the cohesive force holding the souls destined to incarnate and evolve into mastery within the earth, on the earth, and in its aura.

When a planet becomes ready for habitation, this Mystic Pole is drawn by one of the Guardians of the Race, for without It the souls would have no lasting affinity for the theatre of their evolution. As that Directed Ray was precipitated from the Hearts of the Father and Mother of the System, It became the Pathway over which the first rhythmic release of mankind's Spirits walked into the world, and took form, together with the Guardian Spirits and the Angelic Host, and those Other Beings Who, through

the centuries, have sustained the soul Light for the people. That is why the Brotherhood of the Rocky Mountains represent the outgoing force by which the Light and consciousness of the Kingdom are carried into the world, and why the Members of The Brotherhood at Luxor in Egypt represent the raising or returning Force, by which the soul comes back into the Heart of God—thus is formed the balance of the two activities of the two poles—Radiation and Cohesion.

Into the Heart of the Rocky Mountains comes every lifestream who has chosen to carry The Light into the world—if not in physical garments, through the Inner bodies—and into the Heart of Luxor passes every lifestream who has completed the cycle of his own evolution, and has won the right to rise on the Ascending Flame into the Heart of God. No matter in what physical point on the earth's surface the Ascension is attained, the soul must pass through these currents at Luxor.

Due to the tremendous acceleration of Spiritual Light which is felt now through the hearts of men, the Mighty Temples at the Teton are being increased in size. The entire center of their whole group is being prepared to become Host to the ever-increasing Spiritually awakened souls who wish to dedicate and consecrate their energy to carrying the Light and the Gifts of God into the consciousness of the outer selves of the human race.

It is a magnificent accomplishment on the part of the Brothers and Sisters of the Brotherhood in creating these exquisite Temples and Halls of Mercy, and I am sure you have felt within yourselves the pulsation of that mighty activity.

Within the ethers over the Grand Teton stands the Mighty Spirit of the Silent Watcher of the entire earth, through Whose body is directed that Ray, of which I have spoken, which holds the evolution of the earth within His Sphere of Influence and the Orbit of His body. From His body this Silent Watcher has issued forth seven great Rays like unto the Elohim, who have become the seven Spirits of that Mountain, each one dressed in one of the colors of the spectrum, holding the power which is the impetus to externalize God's Will in form.

People have not thought deeply enough on the tremendous Consciousness and Power of the Spirit of a Mountain which, through its own Inner Spirit, reverses the Law of Gravity and draws out of the very body of the earth the substance of rock and earth and tree, and holds it against the natural pull which would return it to the lower atmosphere of earth. These Beings are living, breathing foci into which mankind may blend his own energy and find it lifted up by that up-surging stream of magnetic power sustained by the Mighty Spirit of the Mountain.

Just as your own spinal column renders the same service to your body and holds it erect that the greater currents from the Sun may intensify your Soul Light, so do those great Spirits of the Mountain hold erect the spinal column of the earth and the seeker after Light and Truth finds the impetus of that upward surge of life force enfolding their own Inner bodies, raising them toward union with their own Source.

I ask you to bless the Spirits of this Mountain consciously for Their strength and Their fidelity, and for the magnificence of Their service as conductors of those currents of Force, Hope and Aspiration which have enabled the Spiritual selves of men to live through the centuries, when the effluvia of man's creation has been so great.

Beloved friends, will you accept My Love? It is blessed as It comes out to you from My heart. Many of you were in China when the Beloved Kwan Yin walked and talked with our people there, when China was a land where Beauty was worshipped, and where a life span would be dedicated to the carving of a single ivory figure, or the painting of a single scene.

China again shall stand revealed in all her Beauty, and the degradation and the poverty and the famine and the human creation that has turned her green fields into parched clay, and her people into slaves of the appetites, lusts and passions of the outer self, shall be no more. Her people shall live again in the dignity and beauty of the race which has had no parallel on the earth, even to the present day.

Beloved Friends, I trust that we shall meet again in the not too far distant future and that as these Great Audience Chambers are completed prior to the January Council, we shall have some happy times.

Now that the Lords of Karma have so many petitioners among the sons and daughters of men, it is no longer possible to give the proper homage, courtesy and hospitality to the ever-increasing brothers and sisters within a Retreat that, up to this hour, was more than large enough to take care of the few who have lived but to serve their fellowmen.

My Blessing now to each one of you. You all need Precipitation—on Lemuria you knew and practiced It, and you may know It again on this earth. You may hold Me responsible for whatever assistance I can give you in bringing to your remembrance the ease and the natural Harmony that follows such Precipitation. both for your own benefit and that of your fellowman. I thank you.

## ADDRESS OF BELOVED MASTER JESUS

### November, 1952

I come to you today, Oh, My Beloved brothers and sisters, with all the love of My own heart and the blessed outpouring from My Master, Lord Maitreya, from Whose side I have come as He stood in the fields of Kashmir this day and endeavored through the outpouring of *His feeling* of the Nature of God, to convey to the pilgrims assembled, that love which The Father of all Life has for His children. . . . a love that is unchanging, and intensified in Its pressure and power with every beat of the Celestial Heart of that Great God, which never takes into consideration in that loving the worthiness or the merit of the one enfolded in that Presence.

The love of the Father has been My Message since I was first vested with the glorious opportunity of bringing the joyous words to man, that their Father was not to be considered as a Being of wrath, but rather the loving, kindly and considerate One to whom all had equal access, according to the requirements of their individual hearts.

I endeavored to draw before the consciousness of the people that it is the Father-God's pleasure for each man and woman and child to enjoy the Perfection designed by Him, and but awaiting the acceptance of the consciousness in order to be manifest through the lifestream.

Speaking to you, I speak to old Heart Friends. Some of you were with us in Egypt and proceeded across the great desert into the Promised Land; some walked with Me around Jericho and your voice joined Mine in that immortal shout of triumph before which the walls fell. (The Master was Joshua in a previous embodiment.) Some of you were with me in Persia when I, as Zoroaster, contemplated the Nature of the Father and embodied His Light; and some walked with Me as Apollonius from Tyana, as we drew those great currents from the Inner Realms to prepare for the Shrines which have come to be such great powers in the Christian Dispensation, and some of which have not been revealed to the outer consciousness.

Then before I entered incarnation for My final Mission, I would like to remind you that some of you sat with Me around that glorious table when the Lord of the World Himself revealed the plan by which an initiate was to incarnate and bring the fullness of the Nature of God through His Consciousness—His Word and His Works which would be the permanent record of Christ Incarnate for the entire race.

Do you remember the solemn hush as the Lord of the World described that Mission, up to, through and including the Cru-

cifixion, the Resurrection and the Ascension? Do you remember the White Robed Figures who rose as one to volunteer for that service? Thirty-six there were who qualified to come, and of that thirty-six My Teacher and Master, Lord Maitreya, chose Myself, and He chose also My Beloved Mother, and your great Heart Friend Saint Germain, (Saint Joseph in that embodiment). We represented the Trinity through which the Mission of the Christ could be manifest.

Then it was My opportunity to call forth My twelve disciples, and those other blessed ones who would assist Me in a future day. Together we all knelt before the King of Kings, and He placed His thumb on our foreheads, His hand on top of our heads. He blessed us and Lord Maitreya anointed each one with the Spiritual Oil of the Cosmic Christ. Then we were each designated to go into a particular Temple until the Lords of Incarnation could prepare for Us suitable vessels timed with the stars, so that all might attain their majority at the proper moment. The Beloved Joseph and Mary incarnated long before I did, and some of the disciples too, and Elizabeth and John the Baptist, and all of those who were to prepare for My coming. As each one left, we gathered together with that strong heart feeling and prayer that we might remember when the bonds of forgetfulness and the pull of the earth life had dimmed our Mission, our Vow, our Promise.

Finally, the Beloved Morya and Kuthumi (as two of the three Wise Men), and those engaged in the study of the stars, knew that the hour for My conception and incarnation was about to take place. I shall never forget My parting from Lord Maitreya —the love and kindness in that great and beautiful Presence as He placed His arms around Me and breathed a Heart Prayer that I felt through the consciousness of My own Being, for He knew how much depended upon My fidelity to My vow, and how much depended upon My capacity to retain the Vision of My service, through those early years when I was not to be particularly favored among the sons of men. My prayer, too, rose with His.

There is no deeper feeling, Blessed Children of Light, than that between the Master and the pupil . . . it grows through association, through the wonderful knowledge of the Master of the very weaknesses of His chosen chela, and as the chela comes up over those weaknesses and for the first time surmounts a particular temptation . . . the joy in the Heart of the Master is beautiful to behold. When the chela can call the Master "Father" and the Master the chela "Son"— it is as close a tie as that between the Father of all Life Himself and every Christ who has attained Immortality.

This is the feeling in the Heart of the Guru when His disciple and student is gong forth, depending upon the strength and the Light which he has achieved through the Guru's training, and endeavors to render a Cosmic Service in which millions of souls will be affected adversely or otherwise. If there could be agony in Heaven, I would say it is in that hour, and all the love and the strength and the light of the Guru enfolds the incarnating soul, and all the hope of the student ties into the Heart of the Master, until even after the memory is gone, that *FEELING* remains of union with "something" beyond and above the consciousness of the senses.

I was privileged, of course, in being welcomed by Beloved Mary, and She provided for Me through Her Aura that love and that protection and that spiritual sanctity, without which I think I could not have endured those early years when My consciousness was not yet developed enough to remember My Father's Home, and I shall be eternally grateful for the strength of the Beloved Saint Germain Who stood by Us. I can see as clearly today as in that long ago, the strong hands working upon the yoke of an oxen, gently and smoothly preparing the wood, that it might not give pain to the creature for whom it was carved.

Then the first glimmer of My memory began to return. Oh, happy, happy day—when out in the fields I lay looking at the Sun and for an instant there flashed into My consciousness remembrance of My Teacher and My connection with the Father —God. I remember walking home slowly, and how My Mother, looking at Me, realized that the Christ Self was beginning to take hold of My small form. So I can feel for you, My children, who are yearning for that connection with Your Presence. You know how precious it was—you know how sweet the association, for you feel it, and it is My Joy and that of My Great Master to offer to you individually and collectively, Our *FEELING* of *ONENESS* with your Presence. Let that be Our Christmas Gift to you.

I shall not dwell on the well known facts of My Ministry, but I shall bring to your remembrance again that at the close of this earth life, you are going to experience the joy of the Ascension. Oh, how can words describe to blessed hearts incarcerated in flesh, the FREEDOM that is to be yours, the *joy* that when there enters within your consciousness a thought or a design by which to benefit the race, time nor space nor anything can limit your instantaneous accomplishment!

From one who has passed consciously in the full waking outer consciousness of daily life under the brilliant Sun at noon, and in the presence of those whom I loved more than life itself, into the Home of My Father—let Me, please, dear hearts, convey to you that all of the suffering—all of the discipline—all of the trials—

# THE MASTERS OF WISDOM SPEAK

### *MAHA CHOHAN*

Mankind, in contemplating spiritual food, so often delegate to the abstract the Powers of the Comforter, and yet the most mundane activities in which the personal self can be engaged are oftimes tremendous outposts of comfort to the bodies of people, to their mental well-being, etc. All of those great avenues bring comfort to the daily life of the people. For instance, the manufacturers of mattresses and easy chairs, the sun lamp of therapy, the beautiful automobiles, the incinerator, the washing machine, the vacuum cleanor, just to mention a few, are actively engaged in furnishing comfort as much as the kindly doctor, the minister and the priest, the vocational teacher or the inspirational writer. All of these, the great and the simple, have been and are our guests during the time when the blessing of the Cosmic Comforter is flowing freely even to him who "gives only a cup of cold water in Our Name".

### *EL MORYA*

The Causal Body which surrounds the Electronic Presence is about 100 feet in diameter around the Presence of an unawakened individual. The Presence which works at Cosmic Levels does not receive an expansion of this Causal Body until the physical part of Itself consciously cooperates while in a flesh body and sends up energy qualified with perfection to expand its great Life Wave. Therefore, the Presence is as grateful to have an individual consciously awaken and cooperate with It, as the physical individual is to have the help of the Presence. When once the student awakens to spiritual things, the Causal Body of the Presence begins to expand, and it is able to do greater things at Cosmic Levels and has greater energy, fire and power at Its command. The Causal Body of the average metaphysical student shows a very large increase over the 100 feet status of the sleeping vehicles.

### *KUTHUMI*

Oh, for a long time the Vision has stood before the Inner Sight of those of Us Who have renounced Nirvana to incorporate into the substance and energies of this earth the glories of the Kingdom of Heaven. However, again and again as those souls We love so well were summoned by the Lords of Karma, to stand before Them to receive their heritage of good and their heritage of evil to be expiated in the life to come, and as those bonds of forgetfulness closed the Spirits' memory round them,

have We been forgotten, and the pledge of the heart and the love of the lips and the enthusiasm of the soul carrying the weight of the creations of the centuries, found not within the heart the stimulation to proceed. We who stand at the other side of the great abyss, awaiting the voluntary energies and the stirring of remembrance, thus find Ourselves without a body in form.

Can you then feel the depth of gratitude within Our Hearts when through those sweet outer minds you even acknowledge Our Presence; when in the deep recesses of your heart, you breathe a prayer for remembrance, and when your feelings weighed down with the accumulation of the centuries, ask for the fire and the courage and the constancy to follow the Vision; and incorporating the energies of the self, help Us to externalize the God Plan which is for the blessing of all Life!

### *PAUL—The Venetian*

The Beloved Maha Chohan requests me to remind the earnest students that the great mercy of life allows the Cosmic Action of the Law of Love, Compassion and Forgiveness to wipe out individually as well as collectively the mass karma created within the twelve month cycle which is closed on December 31st. Where the actual motive of the individual or group was not to mis-qualify life energy or deliberately do wrong, this blanket forgiveness is sent forth to encompass all who care to accept its relief, release and forgiving mercy from the miscreations of the year. Thus all life may enter the new year with an individual slate wiped clean of many of the errors of judgment and action which otherwise, by the unerring activity of the Law of the Circle, must return for redemption to its own creative center in some form of discomfort and unpleasantness. Let every lifestream belonging to this evolution ACCEPT NOW the Cosmic Flame of Forgiveness as it circles the planet round, and ACCEPT the freedom from mistakes of the past—and FORGET them!

### *SERAPIS BEY*

The process of the Ascension is the Divine Plan for every lifestream and when man at last *stops* his wilful distortion of God's Substance by finding the figures of his creation sufficiently unpleasant—We have a step in the right direction, but there is a *long step* between such dissatisfaction and the time when the individual will *willingly* dissolve his distorted creation, call to the Master Presence for the Divine Plan and then have the patient humility required to fulfill it, moulding the energy and substance of the

earth plan according to the blue print held in the Heart of the Presence.

The Blue Print can only be found and studied in selfless humility—and that Blue Print will begin to shine through the flesh form as the individual is sincerely determined to use all his talents and energy *only* in *accord* with God's Will.

### *HILARION*

The individual who desires to become a fuller expression of the Ascended Master consciousness may use all his faculties to attract the beams of the Gods into his world. Intense devotion and love open the doors of inspiration and the Gods speak to the higher minds and explain many of the apparent puzzles and problems of the lower world.

As we progress into the New Age, we shall find the inspirational faculty developed by the masses as it was on Atlantis, only this time it shall remain lasting.

Remember, your senses, each one, are a means by which you may draw the fullness of the Ascended Master consciousness into your individual experience. Use those senses freely through delicate perfumes, beauty of surroundings, harmonious music, exquisite picturization, etc., and then rise into the Inspirational Realm of Spirit and talk heart to heart with the Gods in the Silence.

### *JESUS*

The Ascended Master Consciousness is one with the All-Knowing Mind of God as a collective whole and with the component parts of the Great Divine Mind as expressed through the individualizations of God who have attained PERFECTION.

The Ascended Master's Consciousness does not connect with, nor embrace, the imperfect or human consciousness of unawakened individual, and herein is Their *Wisdom* and herein is Their Divine *Sanctuary.*

Your consciousness is your world and that which you are conscious of becomes a living part of your experience.

To achieve and become the Ascended Master Consciousness, one must take the *beam* of his attention, fasten it upon the Ascended Master qualities of understanding and draw back the *living breathing breath* of the Master into his world. One must strictly guard the door of his individual consciousness against accepting any limitation—by *discussion, thought, feeling, reading,* ect. You will remember that Saint Germain stated that if the Masters, Themselves, kept their attention on the problems of earth for any length of time, even They would draw themselves *downward*—in other words, pollute Their consciousness with conditions of limitation.

### *SAINT GERMAIN*

What is the *CAUSE* of Freedom? God. The God identity of every man has within it the inherent, inbred realisation that FREEDOM and GODLINESS are one.

The Divine fiat of Life is expansion, unfoldment, perfection, all of which qualities require *Freedom* in order to mainfest. A tightly closed rosebud requires freedom to become a full blown rose. Even the Power of Helios requires Freedom to shine. An animal, plant, tree or man requires Freedom to breathe. There is no such thing as progress or evolution, or, in fact, *Being,* without Freedom. You might say "Freedom is God stretching out His Arms to increase. *Freedom is God in action.*" The quiescient God sleeping through the solar night does not taste of nor enjoy the *fruits* of *Freedom,* but when the first stirring takes place in the cosmic dawn of a solar system or in the birth of a bird—Freedom stirs.

*I AM the SUN of FREEDOM.* It is My great privilege to expand the Cause of Freedom on the earth plane. It is not a quality which is *injected* into a lifestream, for *love of Freedom* is as inherent within life as is the love of life itself.

Freedom and Expansion are one. Freedom and Activity are one. Freedom and God are one.

In this New Day dedicated to the *Freedom of the entire planet* and this system of worlds, you will see the God Power stretching forth and bursting the chains of limitation!

## IMPORTANT!

To our Gentle Readers:

In the first article in this issue you will find a reference to presenting at the conclave in the Royal Teton, December 31st, 1953, petitions to the Great Karmic Board which you feel will benefit the entire human race. Besides writing out those petitions on paper, reading them over nightly before entering sleep, it would be very helpful indeed to the Great Ones and all mankind too, if our gentle readers were to gather in their respective groups (or alone, if no group is available) for ONE HOUR every night from Christmas Day thru New Year's Eve, calling for the release of dispensations, or whatever is necessary to enable the Great Cosmic Law to grant, if possible, all the petitions so presented and to raise up from unascended mankind those willing assistants for the Sponsors of such grants.

## ADDRESS OF BELOVED MASTER JESUS

(*Continued from page* 9)

all of the renunciation of this earth life are worth that instant when the pull of earth can no longer bind your purified soul, and you know FREEDOM!

Let Me warm you that in your association one with another, you can prepare for this hour, and the most subtle of your tests will be LOVE! For instance, in My own case there was Mary, who had taken Me as an infant and in the glory of that aura raised My small form, and throughout all My Ministry welcomed and accepted every lifestream that I chose to bring home, upon My word that they were of the Father's Kingdom; sweet John who breathed not a breath for himself from the instant that I called him; and Peter and James and all the others whom I knew were not equipped without My Consciousness and My Presence to live in the fullness of Life, and yet at that moment when the call came I had to decide between the pull of Love and the call of the Presence.

Who among you facing such a choice would know which was the greater service? There are some I know would say, "it is better that I stay with my own lest they fall by the wayside," and yet if I had done that the world would not have the public example of an Ascension, which has been the hope of the Christian world since that time. I tell you, dear friends, that is not an easy decision.

Your call will come, each one! Prepare you for that hour, for that which you love most will be closest to you, and the subtle feeling had best be handled long before that day. In the constant leaving of your every decision to your Presence—"not my will but Thine be done"—you are building that momentum, you will not suffer such a tug of the heart, and you will save yourself much agony and much uncertainty.

I love you, each one, with a Love that is deep and sincere, and it is not based on what you are, or on what you have been, but it is based on what *you shall become,* for I have seen you in the Heart of the Father and knowing the Glory you had with Him before the world was, I but anticipate the hour of your full manifestation of that Glory while you yet walk the earth. Let us no longer be backward-looking through two thousand years of time for the miracles that can be accomplished today! The world groans with pain and agony, with sickness and disease, and death, and corpain and agony, with sickness, disease, death, and corruption—and *you alone are the hope of the world!* Were I to have incarnated again and again every hundred years up to the present hour, I would have denied *YOU* the *OPPORTUNITY* to become

that which I AM, and there is no Christ Being Who does not allow the development of His fellowmen into greater glory.

I IMPLORE YOU, in the Name of the Father of all Life, to set into action those calls by which every one of you may walk through those hospitals and asylums and restore man to his natural estate. If you love Me, *DO THAT WHICH I HAVE DONE,* and this will be your answer to My Words spoken this hour.

In the Name of the Father, in the Name of My own Lifestream, and in the Name of the Great Holy Spirit of Life, I give to you the Blessings of Love, and the Love of every Brother and Sister who has become the Freedom which I AM.

And the Love of Jesus is flowing;
By God's Gift sublime,
All His Love Divine

And the earth is glad once again!
As His blazing Star drew the Wise Men far—
His Christ Light draws all men!

And the time of Cosmic Christ blessing;
God's Eternal Peace flows with full release
With Love the earth caressing—

They draw our attention above;
Jesus comes to earth, bringing Love's rebirth—
God's Victory of Love!

And all pain and sorrow are ending;

## WITH THE MASTERS AT CHRISTMAS

"The Christmas Week itself is a time of rejoicing and spiritual celebration and We take the opportunity to visit with each other, comparing notes as to the merits of our chelas, and ofttimes giving the voluntary support of our life merit to a Brother in assisting His Plan.

The homes at Inner Levels are all decorated according to the design and pleasure of its occupants, and every Temple and home of Light has "Open House." There is much joy and laughter and harmless merriment. Groups of Brothers and Angels are gathered together, in earnest conversation, or enjoying a musical of an impromptu nature. Christmas "calls" are made and gifts exchanged. I, Myself, enjoy this "holiday" from the strenuous activities of the year and I know all of Heaven welcomes this brief respite from the sense of responsibility and concern for the welfare of our "charges." . . . . . .

In the Second Sphere, my Brother Kuthumi has His Palace of Light and here is the Great Temple of Lord Buddha and Lord Maitreya. The atmosphere of this Realm is a lovely, gentle, golden radiance, with no glare. It embodies PEACE and TRANQUILITY.

In the Octave of Light, where the disembodied lifestreams dwell who are yet to take incarnation, there are so many glorious spheres, where each lifestream may enjoy and experience what is his particular idea of "Heaven." . . . . . There are vast areas of country, and the more formal city life, similar to the exquisite home and palaces of Atlantis."

## ADDRESS BY BELOVED EL MORYA

### May, 1953

I greet you today, Beloved Friends of Light and Life, in the Name of the One God Whom we all serve, in that endeavor to establish upon this earth the Perfection which is held within His Consciousness, His Heart, awaiting externalization through each of you, and every other lifestream belonging to this evolution.

It is My privilege and honor to represent the Mind of God, and in endeavoring to bring the Divine Ideas which form the stimulus for World Movements, I have earned the title of the "fiercest" of the Sons of Heaven. You know, as We sit in council with Our Superior, the Maha Chohan, it is not the most pleasant feeling to be called the "fiercest" of the Chohans of the Rays, and I have endeavored in My correspondence, to incorporate the word "friendly" for, I assure you, that is the feeling within My Heart—I am a forthright person and My enthusiasm and desire for accomplishment is such that it must be tempered with the wisdom of patience.

Early in the last century, when We applied to the Law for the opportunity to bring the understanding of the Masters to the consciousness of the Western World, I presented Our Plan to the Maha Chohan, and in one of those beautiful Councils where He sits with Us, He acquiesced but He said among other things, "I suggest You take with You the balance of the gentleness of Kuthumi and let Him temper your enthusiasm and interpret your words to the average man so that you do not frighten them unnecessarily and do more harm in that enthusiasm than good." So We came together and Kuthumi wrote most of My letters and rendered a service which drew Us closer and closer in those bonds of Spiritual Oneness which you can appreciate are stronger far than ties of blood, because they endure century after century, not only in the renewed association of souls wearing new earth bodies, but with the Inner remembrance of past cooperative endeavor. In such service there is happiness that is akin to the feeling within the heart of the lifestream at the completion of the rounds of evolution when the Presence calls that Spirit home.

Looking upon the work and service and hope in the heart of our Gentle Brother, Saint Germain, in all the years that He had put into the preparation of the student body to become a vehicle for the Cosmic Light and the Cosmic Christ, I again applied for the opportunity to assist Him in resuscitating the feeling and impetus of the Spiritual Fire which, rather than glowing freely, was but a smouldering ember—and again I was given the acquiescence of Our Beloved Maha Chohan if I could secure

the cooperation, the interest, the faith and the belief of some members of the human race.

At that time I was privileged to choose several lifestreams and through a Dispensation write them. If they responded, We could continue Our endeavors to assist the Beloved Saint Germain. A few responded, and from that small beginning has grown a correspondence that is staggering even to My Consciousness, for I have never been one who enjoyed the confinement within the transference of thought to the written page. Thus a Cause was set up and, whether by Ascended Being or an unascended being, the effect must be met by such an one. You, Beloved Hearts, reached forth your hands in friendship and proved to the Cosmic Law that there were among the unascended lifestreams incarnate, those who choose Freedom's Way, who were willing to throw off the shackles of oppression, superstition and fear, and were willing to stand for right and justice, for which I thank you. You have each followed your Star.

Oh, how cognizant I am of the endeavor, the sacrifice, the investment which each of you, through your own heart's love, put into your spiritual pilgrimage and, as every man receives according to that which he has invested, so shall the God of Light and Life reward you in the expansion of your understanding and your consciousness, for responding to the magnetic pull of the Maha Chohan's Own Spiritual vibration.

I, too, followed a Star once long ago to the feet of an Infant. I can assure you it was not as glamorous or romantic or beautiful as is described today, and that the Three Kings of the Orient did not ride easily in great caravans of power and wealth. We joined them, true, for travelers in those days seldom crossed those vast expanses of waste land alone, but We were within garments of flesh. We had studied the Heavens for many years, each in his own country. We had no communication one with the other and each, when the constellations pointed to the certain Cosmic moment, felt the time of a Visitation was at hand, and each at some sacrifice, suffering and much ridicule from our countrymen, left the comparative safety of our homes, following a Star. There were nights when the clouds covered the heavens and the stars did not shine—just as there are times in your progress upon the Spiritual Path when your star seems to be obliterated from the sky, and even in your feelings you wonder if there ever were such a "guiding Light."

I can understand this because I went every step of that way, following a Star, and I can assure you with the confidence and faith, builded into My own energies, that it was worth the investment of every electron drawn forth from the Heart of the Presence

and used in motivating the body toward that humble stall in Bethehem.

Oh, My Beloved Friends who have embodied in the West today, have no concept yet of the power within that Heart Flame to guide you right. I came into this magnificent building this morning from the Heart of India, where I have walked a bit of the way with the pilgrims coming down over the mountain passes from Llhassa, and those from China and Malaya. I have walked across the burning sands of the deserts of India. I have seen men and women and small children without food, without sufficient clothing to fully protect them from the icy winds of those high mountain passes—following the Light in their hearts—for there is no map giving the location of the Wesak Valley. There is only a magnetic pull that cannot be denied, and when the soul is evolved to a certain point and that spiritual pull from the Great Lord Maitreya and the Brothers who prepare the Wesak Festival is set into motion, involuntarily the lifestreams prepared begin to move toward that place.

When Mr. Leadbeater presented the description of the Wesak Festival before the West, thru his beautiful book, "The Masters and The Path," the intellectual consciousness became aware of the Mystic Ceremony. Prior to this, however, there was no written record, although it has been performed on the night of the full moon in the month of May every year since the glorious Guatama Buddha achieved the Ascension, and everyone within this room, in the course of at least one embodiment, has been privileged to attend. Do you know, Beloved Ones, that some people have spent forty incarnations, every year endeavoring to reach the Valley where that Festival is held, and have not done so—and yet have not gone home with bitterness or disappointment in their hearts? Do you know how many pilgrimages you have accomplished before you were privileged to achieve the impetus necessary to bring you into this activity? Oh, Blessed Hearts of the West, may you know that nothing is happenstance—all is governed by Law, and in Our great work with the mankind evolving upon this planet, We do not so much work with the intellect as with those magnetic currents that draw to Us those lifestreams ready for certain instruction which We alone can give.

The blessed chelas in the West shy away from the questionable privilege of being placed under My tutelage, and they are happier far if they are assigned to My golden-haired Brother, Kuthumi, or to the beautiful delicate perfectionist, Paul, the Venetian. Serapis gives Me some comfort. I don't think He knows how much comfort His positive Nature has given Me! Hilarin, too, is a power because He deals with the agnostics, those who pass out believing that there is no God and no life after death. The Master
